## MODERN DESIGN

Get smart with our robe organisers. These configurations provide shelving, drawers and hanging spaces to assist you with creating an organised wardrobe. Accessories can be added for further optimisation.

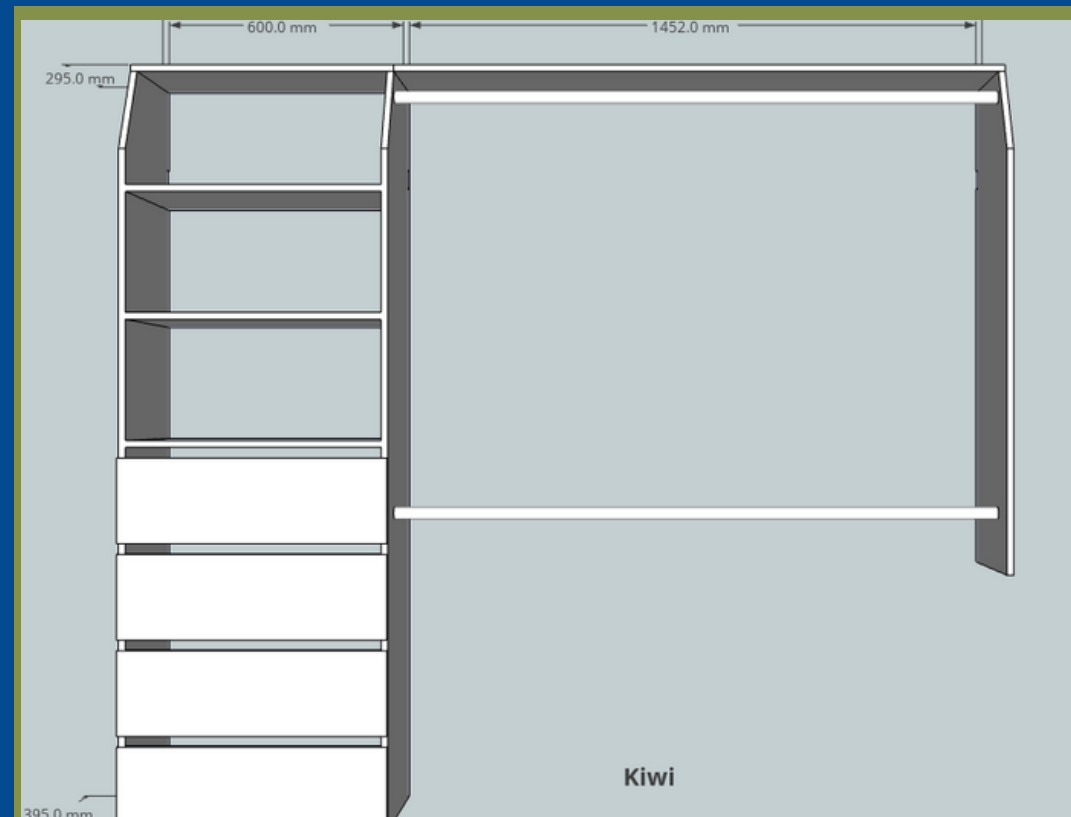

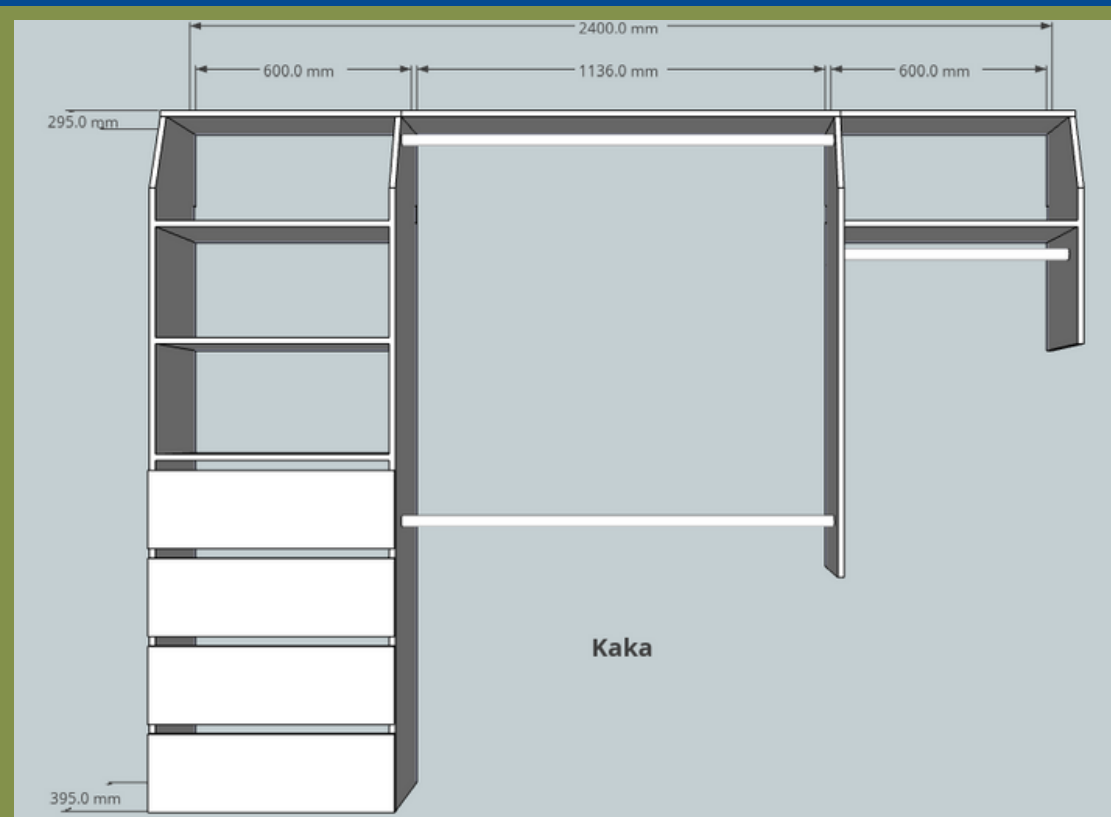

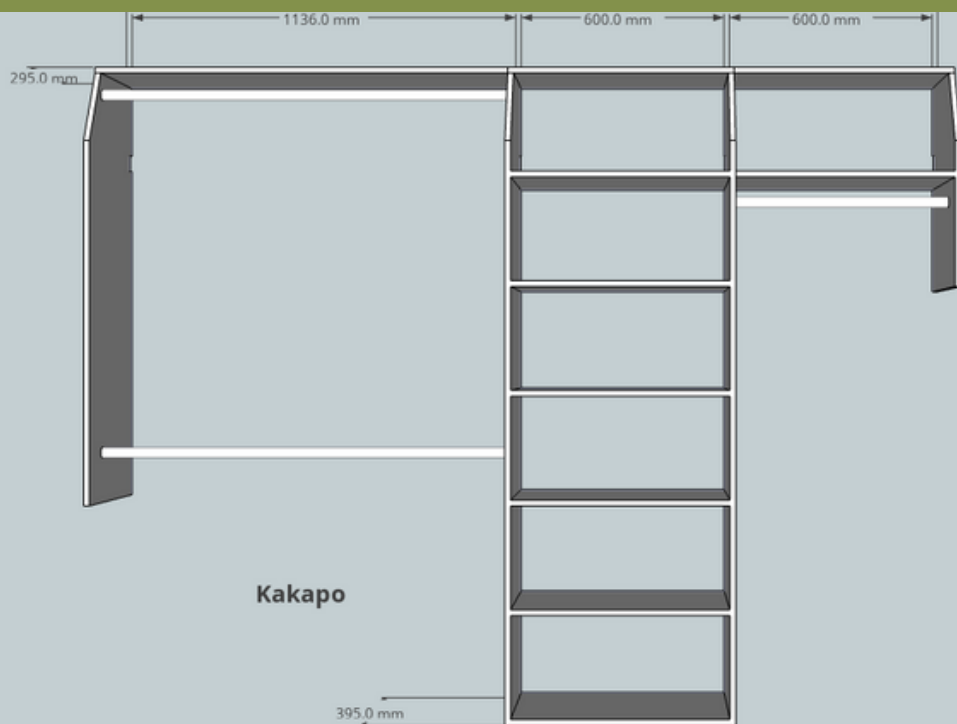

Our Kereru, Kaka and Kiwi Robesmart Organisers are simple and stylish, providing practical and functional features. These options come standard with 4 drawers with euro style handles.

The double hanging rods finished in Polished Chrome, provide ample hanging space for dresses, shirts and pants. Shelving offered in a choice of standard widths; 400mm, 500mm or 600mm , all Robesmart products come with hanging track and wall suspension system and matching soft close drawers. With a choice of reach in or walk in options.

These options come in White or our 7 Standard colours.

If you are wanting a simple yet functional wardrobe organiser, consider our Kakapo or Kea combinations.

These double and single hanging spaces are great for long or short items of clothing such as dresses, shirts, pants and jackets.

The shelves provide a great space for organising T-shirts, Jerseys, Shorts and more.

Shelving offered in a choice of standard widths; 400mm, 500mm or 600mm, all Robesmart products come with hanging track and wall suspension system and matching soft close drawers. With a choice of reach in or walk in options.
